Dear Burt:

Enclosed you will find copies of some orders to be used for the application for a passport by you before a clerk of any State or Federal Court authorized to naturalize aliens. Such courts are authorized to accept applications for passports which will be forwarded to Washington.

You should apply for your passport with two (2) passport photographs; your birth certificate which must have a raised seal of the state in which it was issued and must have been filed within six months of the date of birth; otherwise you must also submit a birth affidavit; some identification (driver's license) and two (2) copies of your orders. On the form where it asks for the address to whom the passport should be sent, you should put "Military District, Washington - Will Call - MDW - 129". Where it asks for your occupation, you should put Executive Officer. With your orders you should only have to pay the fee for the passport, which is $1.00.

As soon as you have applied, we would appreciate hearing from you by telephone, collect. You should call [redacted] 25X1A on his office number. This information will be passed to me and we will properly backstop your application in Washington and the passport will be delivered to us.

Sincerely,

BILL
